

Phase Four – Date TBD

The following recommendations should remain in place through all five phases:

- Protective measures for vulnerable populations.
- Individuals should continue working from home if they can do so effectively.
- Physical distancing must be maintained, wherever possible.
- People must stay at home when they are sick.
- Vulnerable individuals, such as seniors and those with underlying health conditions, should continue to exercise caution and minimize high-risk exposures, such as public outings.
- Personal hygiene will continue to be a key prevention measure.
- Enhanced cleaning and disinfection should take place in workplaces, public spaces and recreational facilities.
- Although the public health order regarding the size of gatherings does not apply to businesses and workplaces, they are expected to follow the recommended public health measures, including:
 - physical distancing for staff and clients;
 - regular cleaning and disinfection;
 - frequent handwashing and sanitizing;
 - use of PPE where available and appropriate; and
 - keeping staff who demonstrate or report COVID-19 symptoms out of the workplace.
- Special care and personal care homes must ensure that each staff member works in only one facility
